FROM

B. JAYARAM, ESQ., F.G.S.,
Director, Mysore Geological Department.

GEN. & REV. SECTT. To BR 24 JUL. 1926 G. D. SECTION.

C. Ranganatha Rao Saheb, Esq., B.A.,B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
REVENUE DEPARTMENT.

With due deference to the G.O. communicated in your letter No.I.C.61 Geol.24-25-4, dated 6-7-26, stating that Government see no need for the revision of the menial establishment as proposed by me, I have the honour to again submit a modified proposal in respect of two posts, viz.,that of Head Lascar and Mutchi.

2. As in the case of Jamedars, Daffedars and Peons the scales of salary for Head Lascar or Mutchi have not been fixed by any G.O. Consequently the salaries of these incumbents vary from office to office.

3. The work of Lascars I should think is a technical one and it is not all that can do it well. Much responsible work is required of the Head Lascar. In addition to a sound knowledge of pitching of tents he is to see to their good condition and their maintenance and repairs. It is also required of the Head Lascar to train recruits. I should consider that the Head Lascar's post is not in any way inferior to that of the Jamedar whose salaries range from Rs.18 and above. In fact the Jemadar is a mere ornament when compared with the Head - Lascar in a Geological Survey Department wherein the services of the latter are indispensable and useful.

4. As such I earnestly request Government to kindly raise the salary of the post of Head Lascar in my office from Rs.13 to Rs.18/- per mensem.

5. In the case of the post of Mutchi again there is no uniform scale fixed. The salary of Mutchi and book-binders in some offices goes up to Rs.30/- In some offices, their services are 'superior' The work of Mutchi is also one requiring intelligence and technique. In view of the above it is necessary that the post of Mutchi in my office should be raised from Rs.15/- to Rs.20/-

6. In case the above proposals to raise the salaries of two posts should not meet with the approval of Government I would request Government to kindly sanction personal allowances to the men now occupying the posts in my office I beg to give hereunder their services and the qualifications:-

(1) Head Lascar Rayappa, Christian. Began service in the Department as a lascar on Rs.7/- early in 1905 and has been a Head Lascar since 1909. He was given Rs 9 in 1909 Rs.10/- in 1916 and Rs.13/- in 1921. He has throughout been a competent hand and has earned the approbation of all the officers under whom he has served. Experience has shown that trained lascars will not stick on to any one office, but this Department has been fortunate in having Royappa for over 20 years He is well behaved and trustworthy. In view of the long and good work rendered by him I beg to recommend a personal allowance to him of Rs.5/- and solicit the kind sanction of Government thereto.

(2) Mutchi - Yalakki Gangadigar Vakkaliga, joined the Department as a peon in 1897 and was raised to the post of Mutchi in 1912. In 1921 he got the present salary of Rs.15/-. He is an efficient hand and does book binding work as well. In addition to this he is generally entrusted with the cashing of all bills of the Department, contingent, salaries, ~~Treasury~~ Travelling Allowances etc, and this work of serious responsibility he has been discharging quite satisfactorily In view of his long and efficient service in the Department, I beg to recommend a personal allowance to him of Rs.5/- and solicit

the

the kind sanction of Government thereto

I have the honour to be,
S i r,
Your most obedient servant,

B. Fay Dam,

D i r e c t o r,
